Buying your new home...

Why choose a Shingler home...

We have been building new homes for over 20 years. However, unlike national home builders, we are a local family owned and run business. We are committed to providing a personal home-building service where attention to detail and quality is of paramount importance.

Smaller, exclusive developments...

Our approach is to find smaller plots in popular locations across Shropshire and the surrounding counties, where we can build exclusive developments with individual and attractive house types that are sympathetic to the surroundings. We place an important emphasis on light, space, layout and quality fixtures and fittings, both inside and out.

Our development at
Longwood Park is no exception.
